HARRISDALE
Senior High School

RE: eRideable Policy | Harrisdale Senior High School

The safety of students is Harrisdale Senior High School's priority and under Western Australian laws, only individuals aged 16 and over are permitted to use eRideables or eBikes with the motor engaged in public areas.

From 2 February 2026, the Department of Education introduced a ban on the use and storage of eRideables and eBikes on public schools' grounds by students under the age of 16. This ban supports student safety and aligns with road safety laws.

At Harrisdale Senior High School, eRideables are not to be ridden anywhere on school grounds at any time. eRideables must be walked into and out of the school.

PROCEDURES

For students 16 years and older

Students aged 16 and over may bring an eRideable to Harrisdale Senior High School for storage purposes only, provided they comply with all relevant laws, including:

- Helmets are required when riding in public areas
- Only one rider at a time
- Maximum speed: 10 km/h in pedestrian areas

These students will be required to add their details to the eRideable register and ensure that they:

- Comply with the above relevant laws and regulation
- Walk the eRideable on school grounds at all times
- Display the HSHS eRideable tag on their eRideable for identification purposes

Non-compliance with the above process may result in the student losing their eRideable privileges.

For students UNDER 16 YEARS OLD

HSHS staff will apply the following process when a student is found to be bringing, riding or storing an eRideable at HSHS:

- The student will not be permitted to ride the eRideable home
- Parent contacted advising of the breach of policy
- Parent requested to collect the eRideable at their earliest convenience

Repeated breaches of this policy will result in additional school-based consequences including but not limited to:

- Detention
- Loss of Good Standing
- Suspension

PROCESS

For students 16 years and over

Prior to bringing and storing an eRideable onsite at Harrisdale Senior High School, a student must complete the school's Parking Permit Request form.

Harrisdale Senior High School Parking Permit Request

Once the request has been approved by the appropriate Associate Principal, the student will be issued with a HSHS eRideable tag. The tag must be visibly displayed on the eRideable whilst being stored on site.

STUDENT RESPONSIBILITY

- eRideables are permitted to be stored only in the Skeet Road bike storage area (roofed and gated)

- The securing and locking of the eRideable within the delegated storage area is the responsibility of the student

- The HSHS eRideable tag must be visibly displayed for identification purposes
- eRideables must not be charged at school

- Harrisdale Senior High School reserves the right to cancel a student's permit to store an eRideable onsite at any time, under the direction of the Principal.
